

Kroger Update 2010

As previously stated all participants must re-enroll with Kroger each year. In order to continue or begin receiving credits using your Kroger Community Rewards Plus Card it is now time to do so.

Kroger has changed its way of enrolling, you may no longer enroll using the bar scan code at customer service. All enrollments **MUST** be done via the internet at their web address:

www.krogercommunityrewards.com

If you previously enrolled using the website you must click on "already enrolled sign in". If you enrolled using the bar scan you must click on "Ohio" and follow the prompts to sign up for a Kroger.com account.

You do not need to re-enroll with SPH as long as your information has not changed. If you are new to the program you must enroll with SPH.
