

Minutes from 1/20/10

- 1) Packet of information that was sent home the night of Science Fair, with their respective due dates and the importance of having things turned in on time.
- 2) We discussed the possibility of raising the cost of the ad for the Memory Book to \$15.00 but then decided that we would sell small sections for ads to family members to help offset the price of the book and to help raise funds. A price sheet will be made with a size chart.
- 3) Fundraising – different ideas were suggested. As a reminder – Valentine Candy Grams go on sale February 1st; Bake Sale in the Narthex, Sunday February 14th and baked goods needed as well as volunteers.

Tami Claus presented Eco Bags with much discussion – Tami is going to get a sample kit with the new spring catalog. 8th grade will sell these in March.

Invitational Week was next along with concessions. Thank you to Mrs. Glenda Jackson for stepping up and taking the lead to chair this extremely important fundraiser, along with all of those who have offered to help!
